Education

Heriot-Watt University

PhD in Mathematical Sciences

Edinburgh
2025 – Present

- During my PhD I have taken assessed graduate courses in
 - The Revival/Fractality Dichotomy in Parabolic PDEs
 - Numerical Methods
 - Analytic and Asymptotic Methods
 - Thermodynamic Properties of Black Holes.

Durham University

MMath (Hons) in Mathematics

Durham
2021 – 2025

- I achieved 83% in my Masters project and 85% across my degree. My full transcript is available [here](#).

Teaching Experience

Academic Teaching:

- **Teaching Assistant – Complex Analysis** — Heriot-Watt University 2026
- **Teaching Assistant – Calculus I & Linear Algebra I** — Durham University 2024 – 2025
 - I delivered tutorials and marking support for undergraduate mathematics students.

Non-Academic Teaching:

- **Online Mathematics Tutor** — MyTutor 2021 – 2024
- **Freelance Mathematics Tutor** 2023 – 2025
 - I managed a tutoring portfolio for students from primary school up to undergraduate.
- **TEFL English Teacher** — Gotoco (Thailand) June – August 2024
 - I planned and delivered structured English language lessons in Wat Wang Wa primary school.

Academic Outreach

- **Organising Committee Member** — MACS PhD Seminar Series, Heriot-Watt University 2025 – Present
 - I help to organise monthly research presentations and foster an academic community for PhD students across mathematics and computer science.
- **Mathematics Blogger** — [Hedonistic Calculus](#) 2025 – Present
 - I write articles which make undergraduate level mathematics accessible to a broader audience.
- **Masterclass Supervisor** — The Royal Institution 2026
 - I supported ambitious young mathematicians through workshops to stimulate curiosity.
- **Volunteer Instructor** — Maths Circles Project, University of Edinburgh 2025
 - I facilitated collaborative, interactive problem-solving sessions for school children.
- **Guest Speaker** — Liverpool Blue Coat School 2023 – 2025
 - I delivered sessions to A-level Mathematics students introducing university-level mathematics.

Co-Curricular & Leadership Roles

- **President** — Durham University Triathlon Club Academic Year 2023 – 2024
 - I managed club operations, budgets, and training logistics for my university's triathlon club.
- **Interests:**
 - I enjoy running, having run 100km in 14 hours to raise money for Alzheimer's Research UK
 - I also cycle and I have cycled from the UK to Prague as well as cycling the length of Scotland off-road.
